CHAS. KEOUGH  
REAL FRIEND  
GREAT MASSESCandidate for Assemblyman  
From Nye County Will Make  
An Ideal Representative

The political announcement of Charles D. Keough, republican nominee for assemblyman from Nye county, which appears in this issue of the Bonanza, is well worthy the consideration of every voter of Nye county. Mr. Keough is a Nye county product, having been born at Reese river, where he grew to manhood. He has always been identified with the upgrowth of southern Nevada, and is at present engaged in ranching at Beaverton where he has brought under a high state of cultivation a desert area that was supposed to be worthless. Mr. Keough was educated in the schools of Nye county, and later attended the University of Nevada pursuing the mining engineering course. He is possessed of much mining property in various sections of southern Nevada and has large land and stock interests. He is a thorough business man, knows the wants of the people, and no voter could make a mistake in casting his vote for him at the general election to be held on Nov. 7. Make it your business to assist in the election of Mr. Keough and you are assured of a clean and conservative and good business representation at the next session of the Nevada general assembly.

EAGLES DEFEATED  
The Eagles baseball team went down to defeat on Sunday at Bishop when the players of that town scalped them by a score of 12 to 4.FISH LAKE MERGER  
ATTEMPTS SHUT OFF

Operations at the Fish Lake Merger Co. company's well are going steadily forward but drilling has not been in progress for several days. In the meantime an effort is being made to force a water shut off and it is believed that the task will be accomplished in a few days. If this can be brought about much better headway will result, as from drilling in a dry hole better progress can be made. Oil indications are exceptionally good and the management has been greatly encouraged.

POPULAR COUPLE IS  
WED AT GOLDFIELD

A marriage of much interest to Tonopah's younger set took place Saturday evening when Russell Sheerin and Miss Tillie Anderson tied themselves off to Goldfield by auto, taking only a few of their most intimate friends into the secret, and Rev. Father Edward Noonan, of St. Patrick's church, Tonopah, performing the ceremony which united the lives of these popular young people. Mr. and Mrs. Emmet McVeigh accompanied them and witnessed the marriage. The bride is the charming and vivacious daughter of Mr. and Mrs. Gilbert Anderson and has been connected with the local office of the Tonopah & Goldfield railroad as stenographer for some time. The groom is employed as machinist at the Extension mill and is the son of Mr. and Mrs. Edward Sheerin. Following the ceremony a wedding supper was served at the Goldfield hotel. The newlyweds plan to take up house-keeping at once in Tonopah, deferring their honeymoon trip until later.

SMALL BLAZE  
The fire department responded to an alarm this afternoon at 3:30 o'clock from the St. Elmo rooming house, but little damage resulted. The origin resulted from the Belmont restaurant attempting to clean a flue, a quantity of kerosene catching on fire.BROTHER OF PUGILIST  
TO ENTER STANFORD  
STANFORD UNIVERSITY: CARL  
Sept. 18.—Ted Steffen, a brother of Willie Ritchie (Geary Steffen), former lightweight champion of the world, is to enter Stanford university. Steffen will transfer from Reed college, Portland, for advanced work. He captained the football team in the northern school.BRITISH PICTURES  
BOUGHT FOR N. Y.  
LONDON, Sept. 18.—Two more important British pictures shortly are to be sent to America. One is the famous Raeburn portrait of Sir Walter Scott, and the other is Gainsborough's portrait of Mrs. Pitt-Rivers, wife of the prince regent. Both have been bought by a New York collector.

Public school brought forth a multitude of young people today and all were happy. The long vacation did the young people a world of good and they return to their studies greatly refreshed and in perfect condition to pursue the intellectual work as outlined. Pending the completion of the addition to the high school building the seventh and eighth grades will be maintained in the old school building on the hill.

TONOPAH BOYS OUT FOR FOOTBALL CALL  
RENO, Nev., Sept. 18.—With sixty men on hand for the first practice of the season, the 1922 football prospects at the University of Nevada are bright, in spite of the loss of two of Nevada's stellar backs. The university has secured the services of Dr. Oscar Clough to assist Coach Courtright, who will devote his entire time to whipping a winning eleven into line. From all indications there is an abundance of material in the freshman class. In addition to the letter men, there are many in the upper classes who have made excellent showings during former seasons.

Among the Tonopah boys at the university out for football practice are Chris Sheerin, Proctor Har, Ogden Monahan, Harry Anderson and Murdock McLeod.

WALKER BROTHERS VISIT HERE SUNDAY  
Charles A. Walker, J. R. Walker and W. R. Walker, Salt Lake bankers and business men, were arrivals in Tonopah Sunday morning and remained here until this morning, when they made their departure.

They visited Randsburg Sunday in company with W. H. Rayson, where they made an inspection of the Hudson mine.

MRS. W. H. MALLEP and children have returned from an extended visit to Los Angeles.

CAPTAIN WALTER ROWSON, the well-known attorney and member of the firm of Brown & Rowson, returned this morning from San Francisco, where he had been for the last six weeks. Mrs. Rowson and son will remain in the coast city for a short time.

W. D. FORSTER, vice president and traffic manager of the Tonopah & Goldfield railroad, passed through Tonopah this morning en route to Carson City to be present at the hearing on the proposed change of train schedule to be held before the public service commission of Nevada.

CHARLES R. MILLER, vice president of the Tonopah Mining company and president of the Nevada Wonder Mining company, accompanied by W. H. Blackburn, general superintendent of the Tonopah Mining company and its auxiliaries, were auto arrivals from the coast Sunday afternoon.

## AMUSEMENTS

GLORIA SWANSON'S GREATEST  
PICTURE TODAY

As a special attraction at the Butler today Gloria Swanson and Rodolph Valentino will appear in their latest picture, "Beyond the Rocks," a flaming romance as only the author of "Three Weeks" could write it; as only glorious Gloria Swanson playing the lover, could make it love in all its ardent splendor. The story of a passionate young heart, bound by society's convention, struggling and risking all for happiness—of gay nights of revelry in the Paris world of fashion—of tingling adventures on the snow-clad crags of the Alps—of intrigue and coquetry in the gilded resorts of London high society. Never before have such lavish settings, such dramatic love scenes, such spectacular adventure been seen upon the screen. The love drama will hold the thrills and luxury of a lifetime—he one picture you will never forget.

Tomorrow, Tom Mix, in his latest picture, "The Fighting Streak."
